

2013 Challenger 300 For Sale Serial Number 20-402

TT 1854 AFL 764 APU 838

On MSP

Superior Range

True widebody cabin comfort and convenience, for 8-10 passengers, to suit the demanding needs of today's business travellers. The CHALLENGER 300 is now an even better value proposition providing the operator with state-of-the-art Ethernet cabin electronic system with Hi-Fi sound from nowhere.

Aircraft Performance

True transcontinental versatility and superior all-around performance to get you where you need to go without sacrificing speed.

Exceptional field performance even under hot and high conditions.

Proven performance with record flights over the continental US and over-water flights.

Competitive Comparison

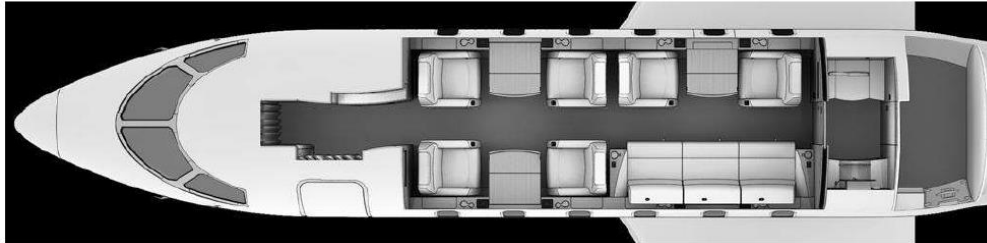

Best all-around super-midsize jet.

Lowest direct operating costs among the true super mid-size class.

Technical Overview

Clean sheet design meets the latest stringent compliance standards.

Superior and more ergonomic avionics suite – reduces pilot fatigue, increases situational awareness and allows for easier monitoring and troubleshooting.

COLORBOARD

A CHALLENGER. ALWAYS.

BOMBARDIER
